0	Data Scientist	JPS Health Network is a \$950 million, tax-supported health care system for Tarrant County in North Texas. Licensed for 578 beds, the network includes an acute care hospital and more than 40 community-based clinics, including 19 school-based clinics. John Peter Smith Hospital is home to Tarrant County's first and only Level 1 Trauma Center, its only psychiatric emergency services site and has the largest hospital-based family medicine residency program in the nation. Our network employs more than 6,500 people. Acclaim is our multispecialty medical practice group. Acclaim has over 300 providers serving the JPS Health Network in specialties ranging from primary care to general surgery and trauma. The Acclaim group has been formed around a common set of incentives and expectations supporting the operational, financial and clinical performance outcomes of the network. Our goal is to	JPS Health Network	FV
